The UniBall Olympics signups are currently open and will remain open until Friday, June 6th at 6pm EST. If you haven't signed up, you can do so at <http://www.ubo.lazyslacker.com/index.php>. If you currently have an account, you need to activate it by logging in on your account name. Then click on My UBO → Preferences → Update Profile – Select YES for the 2nd question: “Are you active and ABLE TO PLAY in the next UBO season?” Without doing so, you will not be entered in the draft pool for season 2.

The GMs have been selected for Season 2. Congrats to:

Ham

Adroit
LunarLite
Drakling
Outkast
surreal
Ironman

The season is set to kick off on Monday, June 8th. If you haven't signed up, please do so as it will be a fun and competitive league.

For more information on the league, visit the UBO forums here: <http://www.uniballhq.com/forums/viewforum.php?f=39> as there are current discussions about the number of weeks the league should run.

LiveScore Ventures Out

The LiveScore football (soccer) season will end on June 12th and will resume on August 1st. You have about two weeks to get into the top 10 of this season's betting to win bonus cash for next season. A few new changes will come about next season. First is that everyone will start off with €1000 and a refill will be €250. Also, the bot will tell you how much longer until a game kicks off and there is a new command, !updatebets which will allow you to modify your bets by ADDING cash to an already placed bet (not change the outcome).

Apart from these new additions, the LiveScore bot will also do NFL games with spread lines betting. Please note that users will have only one wallet to bet for both NFL and Soccer matches. The NFL betting is set to start for the 2009-2010 regular season.

Congratulations to Adio and Don for technical joint first place and Killer for second/third place.
