UBO Week 1 Overview

The UBO closed out its first week in the season at 3am this morning. Teams were as active as ever yesterday trying to climb into a top 4 position to earn some points. Also, with the minisoccer requirement edging closer, teams were eager to get those games played as well. A couple of teams made a dashing effort for the top 4 but fell short of the mark. The standings ended as follows:

1. qP? (1090) - 5 points
 2. b (1058) - 3 points
 3. HYC (1057) - 2 points
 4. MJD (1045) - 1 point
-
5. SHIELD (1044)
 6. UF (999)
 7. Tcats (993)
 8. Apples (946)

Week 2 has commenced, chess scores have been reset and teams now can play on hockey or 5v5 Battledome (CTF) to 2 points. Reporting for CTF will be to 10 points (each player on the winning team will receive 2 goals each) and the losing team will be reported as 0 or 1, depending if they scored or not. Points received at the end of the week will also be higher than the first week. The top 4 will receive 7 points, 5 points, 3 points and 2 points respectively. This gives teams not being able to score points in week 1 a chance to come through in week 2 and make up the difference!

Good Luck to all teams!!
